PRESIDENT'S REPORT 2024

As we close out the 2024 season, I am excited to share my final President's report and take a moment to reflect on what has been an incredibly memorable year personally, and for our Club. This season brought its fair share of challenges, but thanks to the dedication, passion, and hard work of everyone involved, we have much to celebrate.

The 2024 season will be remembered as one of outstanding achievements for our Club. One of my key highlights was being honoured with life membership, an award that means so much to me personally, and I am deeply grateful for the support and recognition from the Club.

Despite a diminishing decline in retention across sports more broadly, we have continued to grow and welcome new players and families. We fielded 358 registered players, 16 teams from U8s through to three teams in U18s, including four girls teams. We saw 10 out of 13 teams that were eligible, make it through to finals, a testament to the hard work, talent, and commitment of our players and coaching staff. Five teams progressed to the next stage, with four making it all the way to the Grand Finals. This is an extraordinary achievement and shows the strength and depth of our Club across all levels. Congratulations to all teams, and a huge thank you to the coaches, team managers, and volunteers who have guided our teams so well this year. A special mention and congratulations to our U14 Bloomfield team who won the Division 4 Reserves Premiership.

Congratulations also to our incredibly talented girls and boys who represented our Club at various levels across many talent programs. Their dedication and skills have shone brightly, bringing pride to our Club, themselves and their families, and we're positive there's more success to come.

A special mention must go to our U18 players who are aging out this season. Your commitment and passion for the game have been an inspiration to us all. You've shown incredible leadership and dedication, and while we will miss you, we know that you will continue to be a part of our community. Thank you for everything you've brought to the Club over the years, and good luck with your next football journey. Remember, you will always have a home here at the Waverley Park Hawks, as a past player, an aspiring Coach or Club President, and I wish you well in your life's journey both on and off the field.

This season also saw some fantastic fundraising events that were both enjoyable and successful in raising much-needed funds to support our teams and facilities. From our annual cocktail party to the After Matches and raffles/charities, every event was a great success and showed the strength of our Club spirit. These events could not have happened without the support of our dedicated volunteers, committee members, and, of course, our generous sponsors.

I want to extend my heartfelt thanks to all our volunteers who worked tirelessly behind the scenes. Your contributions on game days, assistance with events and hosting our After Matches, have not gone unnoticed. We are so fortunate to have such a committed group of people who are willing to give their time and energy to make sure everything runs smoothly.

To our sponsors, thank you for your continued support. Your generosity plays a crucial role in ensuring that we can provide the best possible experience for our players and supporters. The highlight of 2024 was signing on Metricon as our second Major Sponsor and OpenCorp signing on for another three years, which was timely as we replaced all our playing jumpers with brand new reversible jumpers for the very first time, including our girls finally playing in jumpers designed for girls! We acquired a brand new state of the art scoreboard, our Clubrooms have never looked better and the Canteen is operating like a well-oiled machine and is the envy of other Clubs within the SMJFL!

Lastly, I want to thank my committee. Your hard work, dedication, and passion for our Club have been evident in all we have achieved this season. It's not always an easy job, but it is a rewarding one, and I am incredibly grateful to work alongside such a fantastic group of people that I call my friends.

I want to extend a heartfelt thank you to my husband Shane, who was also given the honour of life membership this year, for his unwavering support throughout my time as President. Your support, patience, encouragement, and understanding have meant the world to me, and I couldn't have done it without you by my side.

As we look forward to the 2025 season, let's build on this year's successes and learn from the challenges we've faced. I have no doubt that with the continued support of our volunteers, sponsors, players, and committee, we will achieve even greater things in the years to come.

Thank you, everyone, for an incredible season. I am so proud of what we have achieved together, and I can't wait to see what the future holds for the Waverley Park Hawks.

Yours in sport, Michelle McCluskey, President

**SOUTHSIDE DIGGERS
UNDER 8 IGNATENKO COACH'S REPORT**

What a magnificent year for our first year Waverley Park Hawks Southside Diggers under 8's. I can only say how extremely proud I am of all 21 players who took the field in 2024. For a bunch of boys coming together for the first time to train and play football, the attributes of friendship, competitiveness, learning, team spirit, resilience and most importantly having fun resoundingly stood out throughout the whole season.

A few fond season highlights I look back on.... We made sure every goal was celebrated as it should be, especially the boys 1st career goals. One time the ball had already been handed back to the central umpire however our back line were still running up forward to congratulate the goal kicker. The umpire didn't know what was going on.

Another moment is when the boys had their first experience of wet weather footy. Freezing temperatures, heavy rain, hail and at one point there were 10 kids under the goal umpires umbrella. A great lesson for the boys to remember, it doesn't get much worse than that!

We were very lucky to get a few wins this season. The first time we went into the rooms to sing the song no player knew the words. Homework was set to learn the song. The boys must have listened because the next win we had, the boys sang with gusto.

Throughout the season, each player brought their own unique attributes to the team. We had players like Arjeet, Ollie K and Axel who embodied the team spirit and helped create our great team spirit playing alongside the likes of Sasha, Nick, Miles and Asher who look like they were born with a footy in their hands and often put on a clinic on those early Sunday mornings.

From a coach's perspective watching the improvement in our players is very satisfying with every player making huge improvements over the season however Ashton, Ollie A, Ethan, Isaac and Charlie should be extremely proud of where they ended up with a big 2025 season looming.

We were led well all season by our power forwards Levi, Brody, Kyle and Lenny who I am sure will be very exciting to watch throughout their footy careers. Finally, we have our most versatile players Tom, Lucas, Jett, Flynn and Wrishaen who make an impact anywhere we put them on the ground whether it is back, mid or forward.

I would like to thank everyone who supported our boys this year starting with my assistant Coach Tam. The passion he brings to his role is second to none. Next is our team manager Scott, who's attention to detail (who can forget those pulled pork rolls) gets the boys on the park every Sunday. A special mention to our trainer Michael, he did a brilliant job looking after our boys but was also at every training supporting Tam and I whenever we needed help! Pete who kept the boys in check as runner on the ground.

Our awesome umpire Jayson who didn't put a foot wrong all season and Chris who waved the flags for all our goals. I know there are so many people I haven't mentioned who stepped in and helped when we needed it and I thank you so much. The boys don't play if you don't step in.

I am very grateful for the opportunity to coach these boys and I look forward to seeing them run out in the years to come! GO HAWKS!

**AS TECHNOLOGY
UNDER 9 BENNETT COACH'S REPORT**

Season 2024 has been an incredibly successful one for the Under 9 boys at the Waverley Park Hawks. With a high level of interest at this age group, the decision was made early in the year to separate the more than 30 boys into two teams to enable them to have more playing time and opportunities to develop on the field. So, team Bennett was created and a huge thanks to all the parent volunteers that gave of their time to make this happen.

The entire squad of Under 9's trained together each Wednesday making for hectic yet fun sessions where the boys worked on their skills in kicking, hand balling, marking and tackling as well as decision making, communication and teamwork. The boys were able to put all that they learnt at training into practice at the matches each week and it was great to see their progression and significant improvement. A thanks to all the coaches that worked with the boys during these sessions, but particularly Dom Sano who coordinating training and was a pleasure to work with across the two Under 9 teams.

Matches every Sunday were clearly the highlight, and the boys could not wait to don the brown and gold each week and run out together with their friends. The clear and simple instructions from the beginning of the year was a focus on wanting the ball, being first to win the ball and a relentless effort to tackle well. Most weeks, the opposition coaches would compliment our boys for being the strongest tackling team that they had faced. This opened up plenty of opportunities with ball in hand and every player on the team experienced success on the field and highlights that they could be proud of. As we progressed through the season, the boys were able to absorb more information and began to learn about some field structures and more specialised positioning, as well as how to move the ball effectively from one end of the ground to the other, something they were doing exceptionally well by the end of the year. While no scores were officially recorded, the boys still kept a keen eye on whether they had outscored the opposition and were pleased to be able to sing the song most weeks!

There are so many people to thank for making this season such a positive experience for the boys. First and foremost to Candice Reinke who tirelessly worked in the role of Team Manager to ensure that every logistical detail was taken care of. Given that the team had less than 18 core players, Candice sourced fill ins each week from either the Under 9 Sano team or the Under 8 team and also facilitated opportunities for our boys to double up and play for team Sano, giving them even more of a chance to develop as players. Thank you also to Assistant Coach Anthony Reinke, umpires Michael Splatt, Michael Regan and James Mather, runners Peter De La Haye and Felicity Regan, trainers Marie Pascuzzi and Rachel De La Haye, chief photographer Brooke Lillywhite and the Splatt and Reinke families for their efforts in setting up the ground for each home game. To all other families who assisted in all the other roles (too many to mention here), I am extremely grateful and the team would not have run so smoothly without all of your time, effort and support.

Lastly, thanks to the superstar boys who made up the core of Team Bennett this season: Blake, Jack, Logan, Dylan, Orlando, Romeo, Ollie, Christian, Lachlan, Callum, Jackson, Daniel, Harley, Jaik, Austin and Maverick. It has been a privilege and a pleasure to coach you this season (along with our regular fill in players). I have enjoyed getting to know you all, help you with your footy development and celebrate your successes as a team with you.

Thank you to the club for supporting me to coach the team this season and I wish all the boys and their families every success in their footy journey in the years to come.
Dave Bennett.

**ANTHEM WORKWEAR
UNDER 9 SANO TEAM PHOTO**

**ANTHEM WORKWEAR
UNDER 9 SANO COACH'S REPORT**

What a season it has been for the WPH U9 Sano team! Coming into my second year as coach, I thought I would be well-prepared for what lay ahead, but 2024 brought with it a whole new set of challenges and opportunities for our U9s. We kicked off the preseason with an impressive 27 eager young players; eight more than last year! The club's bold marketing strategy clearly paid off and it was fantastic to see new families joining our team and club. However, as the opening round approached, four boys were asked to sit out due to having too many players. These boys showed great maturity and not once complained.

By round three and after some further recruiting, we had 30 players; still not quite enough for two teams. However, to give everyone a chance to play, learn, and enjoy the game, we made the tough decision to split into two teams. Thank you to Dave, Anthony, Candice, and everyone who volunteered to help create our second team, U9 Bennett. We would not have been able to field a second team and create such a positive environment for our growing number of players without your contributions.

Despite these hurdles, our players showed incredible resilience, enthusiasm and managed a few wins throughout the season including 2 out of 3 lightning carnival matches. The boys made every effort to play selflessly and involve their teammates. They embraced every challenge with open minds and their growth was evident with every game. I am incredibly proud of the development and growth in each and every player this season; their eagerness to learn and improve their skills was evident every week, and their commitment to each other and the game was inspiring.

Behind every player's progress this season there were a number of dedicated individuals who made it all possible. I want to extend my deepest thanks to Aaron, Troy and Adrian, I am grateful to have had you by my side. Your dedication and knowledge was invaluable in helping the team grow and develop their skills. Dani, our team manager, you were the glue that held everything together, managing the countless details that kept the team running smoothly. Aaron and Tony, thank you for umpiring our games and patiently helping the boys learn the rules. Fiona, our photographer, you beautifully captured so many amazing moments, allowing us to relive the season's highlights. And a huge thank you to Duncan and the team at Anthem Workwear, our team sponsor, for your generous support.

We are incredibly fortunate to have such a supportive parent group. Your willingness to volunteer, and support your kids is truly remarkable. Whether it was helping with game day logistics, setting up, running the canteen, or cheering from the sidelines, you brought an energy and enthusiasm that fueled the team. I am truly grateful for your generosity with your time and the unwavering encouragement you provided.

This season has been a fantastic experience for everyone involved. I look forward to seeing the team build on the foundation we've set this year, which will support the boys as they continue to grow their love for the game. Thank you all for a memorable season.

Go Hawks!

DECORLUX UNDER 11 BOWEY COACH'S REPORT

Hello All! Second year at the helm, and what a season it was ...

I was glad to get away from playing zones from last year to us playing our games on the bigger grounds, being able to smother and use proper tackling techniques, along with having a score board, ladder and the ability to be able to play finals footy, made for an exciting year for the boys.

We had 14 boys recommit from last year - Reed, Hayden, Xavier, Noah, Zach G, Anthony, Daniel, James, Sean, Zac K, Lachy, Spencer, Gideon and Mitchy.

To the team, we then added Santi from the Under 10s. Cory and Taj came back to playing in their age level. Matt, Jake and Michael then joined us for another year in the under 11s. We also had first year players, Liam, Cohen (under 10s) and Reuben (also under 10s).

What an amazing bunch of kids who were a real pleasure to coach! They were not only willing to improve and play by Team Rules, but when I mentioned a particular way, we wanted to approach a game or quarter, the boys followed it to the best of their abilities. They all wanted to improve individually and as a Team and all of them have improved immensely. As a coach, I couldn't be any prouder of these boys and I really couldn't ask for much more than that.

You the parents/grandparents/guardians, have been amazing all year. To have your full support and letting me coach the way I coach (not saying it's the right way!), was very much appreciated.

When we started training, a couple of the messages early on were:

- If I get angry and yell, it only means I care...
- We only have an hour to train so let's focus....
- And if you want to muck around, please don't bother coming to training and wreck it for everyone else.

Those messages seemed to work as training ran smoothly most weeks. Often, the other under 11 coaches would comment on how well our boys behaved. You should be very proud of them!

We had a slow start to the year but as the boys improved, we really had to fight to get into the finals, although we didn't make it into the Grand Final the boys fought hard against Oakleigh Dragons who eventually won the Grand Final against the Roughton boys.

Lastly a Big Congratulations to our Milestone 50 Game Players Taj, Reed, Zac K, Daniel, Hayden and James.

I really hope your boys enjoyed the year and I hope the parents, relatives and spectators enjoyed seeing the team improve through the season. See you all back next year!

I'm already excited for Season 2025.

Coach out (mic drop)
Matt Bowey

Oranges & Lollies	Anita Peric, Kristine Bowey, Belinda Arena, Andy Sutton
Water Carriers	Tammy Andrado, Himanshu Sukh
Canteen	Julia Rennison & Daniel Kirkham

Message from Matt Bowey:

To my assistant coach, Matt Q, thank you for your help at training and on game day - it was awesome. Taking 3-4 of my calls per week to talk about the previous game and improvements we could make for the next game was also helpful.

Leah, our Team Manager. You did another amazing job this year. We all got sick of your messages (haha), couldn't have done it without you. Thank you for getting us organised each week! Gary and Kristine, the trainers. Luckily only a few minor injuries throughout the year. Thank you for doing the first aid and concussion courses.

Kristian our Runner. Not so sure you delivered the full message though (haha just kidding!) Thank you for a superb job.

Adam the Boundary Umpire. We could count on you every week to do the job that no one else wanted to do. Thank you.

Kelvin the Umpire Escort. Thank you for what may seem like an easy job but needing an escort for the umpires is an important and dangerous (at times!) job. Well done.

Message from Leah Quinn:

Thank you so much to each and every parent who helped with a role throughout the season, you all made my job so much easier, especially those who stepped up at the last minute when I was looking for someone to fill a role.

DIRECT PREFAB UNDER 11 ROUGHTON COACH'S REPORT

It's April 2024, and the official start of the footy season for the WPH U11 Roughton team.

As the April showers drenched the pitch and the clouds hung heavy overhead, the start of the footy season was anything but ordinary. The WPH U11 Roughton team take to the pitch for the first time to train, it was great to see many familiar faces from previous seasons as well as some new faces commencing their first season and a few which had come down from the disbanded under 12's. All seamlessly fitting in with one another.

Leading into the pre-season or grading games the boys worked well as a team and fought hard each match, unfortunately the opposing teams were just too good, and we were unable to clench a win. A few more training sessions would help bring the team together and our focus was for the "seasoned" players to encourage our newer players in supporting their development.

Onto our first game in the newly graded division. A WIN, and a confidence booster for all involved with the U11 Roughton team going on to win their next 5 games, albeit hard fought and often too close for comfort.

Mid-Season saw a strong team in the Dingley Dingos who came out determined and firing. With a few unfortunate injuries during the game, the Dingos came out on top. The U11 Roughton team feeling defeated, battered and bruised went back to the drawing board, refocused and reminded ourselves what we had been able to achieve so far this year.

After a few more games, we once again came up against our Training partners (and Rivals) WPH U11 Team Bowey. An event that could have been televised by ESPN or FOX Footy. This was by far the most nerve-racking, hard-fought and exciting game of the season with Team Roughton once again claiming victory and cementing us as 2nd place finishes on the 2024 season ladder and projecting us into the semi-finals.

Sunday 25th August 2024 – Semi Finals - WPH U11 Roughton vs. Dingley Dingos. The teams' nerves were on edge, last time we faced this team we were defeated, injured, and disheartened. With a MASSIVE change-room pep-talk, we pumped the boys up and reminded them that everything we have trained for has led to this moment. With fire in their eyes and their hearts on their sleeves the WPH players took to the pitch. A quick break from the Dingos gave us a fright, but we returned fire with 2 quick goals giving the boys the drive they needed. Never letting up, playing as a team and using their voices to inform they were in position and ready to receive the ball we dominated the game and emerged victorious with a final score of WPH 13.13.91 to 0.4.4 Dingos and onto the Grand Final.

With Grand Final day upon us the excitement fills the air, the WPH U11's leads out from the change rooms and charge through the banner accompanied by the loud roaring cheers from the families. The wind blowing hard made for a challenging game, the final siren blows ending the game with the final scores not in our favour! Oakleigh 4.1.25 – 3.5.23 WPH.

The 2024 season has been a great experience, and a very rewarding one at that, but the season doesn't run without the un-wavered support of our Team manager Tracey Blackstock, Assist. Coach Daniel Blackstock, Runner John Lillywhite, Trainer Carmen Timms and our parent helpers that have filled the other needed roles throughout the season. THANK YOU!

To the Players. Its all about you and your achievements and you should be proud of your efforts this season. Seeing you go from strength to strength has been a pleasure to watch and I thank you for entrusting me to be your coach this 2024 season. I look forward to doing it all again in 2025. GO HAWKS!

**WRAY BRICK CO.
UNDER 13 GIRLS WRAY TEAM PHOTO**

**WRAY BRICK CO.
UNDER 13 GIRLS WRAY COACH'S REPORT**

The 2024 season was my debut season as coach and I had the tough task of managing 20 young girls along their football journey. The girls started the season in Div 2 and after some convincing wins were elevated into Div 1. This was going to be a real challenge considering the team had 3 under 11 players and 6 under 12 players. We also had 4 new players join the group from last season. Amelie, Alyssa, Willow and Violet were fantastic additions to the team and made a real impact from the start. We appointed a leadership group which the girls all voted on. Elsie, Stella, Sofia, Georgia and Teah formed this group and provided great leadership on and off the field throughout the season.

The girls took this new challenge head on, and with the help of Steve Schenk our Assistant Coach we got to work on improving the girls skills and our ball movement up and down the ground. We had great numbers to training each week and we saw some good improvement from all the girls throughout the season.

Unfortunately, half way through the season our leading goal kicker Georgia Cochrane sustained a long term injury that would see her miss the remainder of the season. It would have been easy for Georgia to become despondent but she showed great leadership by still coming to training and helping, and was a great motivator for the girls on game day.

There were two stand out teams in our division and in our first encounters with these teams the girls really brought their physical tackling pressure and restricted both Beaumaris and Prahran to 9 goals in both games. While a couple of the other teams were having big losses to these teams the girls efforts were keeping our percentage in check and were very encouraging.

The girls managed to win 5 of their 11 games to finish 4th on the ladder which was a great achievement in a tough Division. Unfortunately, we came up against a formidable Beaumaris in the Semi Final and we just couldn't match their brilliance. It was a tough way to end the season, but to make finals in the girls first season of Div 1, all the girls should be very proud of their efforts and their growth during the year.

I'd like to thank our dedicated Team Manager Adrienne for all her hard work not only with our team but coordinating all 4 WPHawks girls teams. Adrienne put in countless hours behind the scenes and made my job very easy.

Thanks to our Assistant Coach Steve who was a great help to me at training and game day with his experience and skill development.

Our Trainer Kim took fantastic care of the girls in a season where we saw lots of knocks, bumps and bruises. Belinda took on boundary umpire and was often seen telling Stella to stop running so much.

Thanks to Louise for running out messages to the girls and a huge thanks to all the parents who contributed to all the other game day roles and for getting the girls to training and games on time.

I hope the girls had fun this season and that they all come back for season 2025.

ELEGANCE TILES UNDER 13 PHIBBS COACH'S REPORT

There was a sense of excitement as the U13s started their preparation for season 2024, after playing in finals matches the previous two years. We welcomed to the club new for their first year of football, Lucas Surenian and Andre Yan Arcnachellum. We also added Under 12 eligible players Ray Ganas, David Koutsoubos (also new to the club), Oliver Hickey, Nicholas Migliaccio and Ben White.

We started the season with several pre-season sessions with a great attitude, work ethic and a desire to continue to develop as players and as a team. Jack Gifford was appointed Captain, with Dylan Toohey and Jack Quinlan his deputies. We started the season with two very impressive performances in practice matches against Narre Warren and Berwick with these displays giving the team a sense of confidence heading into the season.

We started with a game against Brighton Beach, who had played in the Grand Final the previous year. It was a tense battle throughout the day, but the boys held firm to prevail by nine points. The momentum continued to grow, and you could sense the cohesion, skill and confidence grow among the team as we defeated Mordi-Brae and Prahran. Our other grading game came against a strong Murrumbeena outfit, while the boys battled gallantly, they were outplayed by a better team. Unfortunately, after the grading matches were completed, we were placed in a very difficult division, with only four teams, against much bigger clubs and teams with a lot more players to call upon.

Whilst this decision was disappointing and at times frustrating for all involved, a lot of credit should be given to the boys, as they continue to maintain their training standards by working hard, challenging themselves in games and most importantly enjoying themselves in a difficult situation.

As a result, we were able to play some very good football and there were some outstanding individual performances through out the season. The highlight of the year was when that persistent and determination finally paid off. Against a very well drilled and coached South Melbourne team, we managed to play four consistent quarters and hold firm when challenged to come out winners. The smiles on the players' faces said it all and it was probably one of the loudest versions of the club song in a long time! What followed was a terrific finish to the season, with a 2-point loss to Murrumbeena, a competitive game against ladder leaders Ajax and a close defeat to South Melbourne. In the finals we came up against Ajax and while beaten on the day, our last quarter will remain etched in our memories for a long time, as the team played a contested and pressure style of football and ran all over Ajax in the last quarter to kick four unanswered goals. It was an awe-inspiring way to which a tough and challenging year. I hope the boys don't let this year define their junior football experience, rather use it as a learning experience and motivation to come back with a determined and committed attitude next year.

The development and growth across the season by all players is a testament to the boy's commitment and determination and holds the group in good stead for the future. Congratulations to Joel Quinlan and Cristian Sofocleous who were involved in the next generation program, as well as Oliver Hickey and Daniel Melhem who participated in the SMJFL Intraleague program.

I would also like to thank the U11 players who filled in during the year, Taj Phibbs, James Barker, Max Sibbison and Connor Valavanis. Also, to the U14 coaching group who gave opportunities to Cristian, Joel, Kai, Jarryd, Daniel, Zac, Beau and Dylan for the opportunities to play in games in the U14 teams.

Good luck to those who suffered significant injuries during the year and their recovery – Jayden, Jack, Jarryd and James.

In finishing I would like to thank all the parents for their support throughout the season. It was a tough and difficult season at times, I appreciate all the support you gave to myself and the coaching team.

To Andrew for your support, assistance and always being there for advice was greatly appreciated. To John for your help and in particular board work which was a vital part of the coaching set up. To Demos & Marie for trainer duties during the season and all other parents for filling volunteer roles.

To Kylie for her support and role of manager, I am truly grateful and appreciate your tireless efforts.

I hope to see all players and parents next year as we look to continue this football journey with a fantastic group of families.

AAV TILING UNDER 14 GIRLS FORD TEAM PHOTO

**AAV TILING
UNDER 14 GIRLS FORD COACH'S REPORT**

The 2024 season was a whirlwind! There were many challenges the team faced starting the season as an under 15's team, limited players and connecting as a new team. After a few tough losses during grading games, with Adrienne's help, we were offered by the league to be put down as an under 14's team, our 15 year old girls getting exemptions to play down – this was massive for our team and our development. Being able to play against teams that were equally skilled as us brought the spirits of the team up massively and allowed our girls to play the sport they loved more competitively.

In our early season once being able to play more competitively we experienced some great wins. Our first official game of the season we won against Cheltenham 45-32. The pride on the girls' faces were evident as they screamed the club song in the change rooms.

Our next win was round 9, against Beamauris 40-28. The girls played their hearts out in these games and it was evident on the scoreboards. We had some great help from the under 13 girls throughout the season as we were still low on numbers, which we are so grateful for.

As the season went on, it was evident that each of the girls wanted to improve their footy and their skills, a lot of the girls asked for extra training and would show up on Tuesday nights to further better their skills.

We went back to basic's to help the girls improve their kicking, giving them the opportunity to learn what they had missed out on. We had Shane McCluskey and Paul Rice come help out at training and the difference was massive in our girls skills which continued improving until the very end of the season.

Even though our season didn't end as we had hoped, losing the game to Cheltenham that would get us into finals. Every week the girls would come off the field with smiles on their faces because they had played the game they loved with a team they loved. We had gained many new players throughout the season and they fell into place on the team instantly.

I said at the start of the season that there would be no mistakes – just learning opportunities and this season was a massive learning opportunity for everyone. Every player on this team has the potential to be an amazing footy player.

Thank you to Luke, our runner who played a massive part in the girls skills development and game. To Catherine our team manager for arranging everything to make our games possible and efficient.

To Brooke and Nic for being our trainees, thank you to Tyson, our assistant coach for everything you did this season, taking over the physical side of training and coaching and putting your hand up with me.

Coaching these girls as truly been a joy and I can see all of these girls doing wonderful things.

UNDER 14 BLOOMFIELD COACH'S REPORT**

2024 presented unexpected challenges for our Team. Spero Fatouros, appointed coach for 2024, reluctantly stepped down due to unforeseen circumstances after Round 9. However, Spizz' passion, pre-season planning, training and overall effort contributed greatly to the team's year. Thank you Spizz!

Every single player improved this year. We could write a page on each of the 37 players that rotated through this team this year! Yes, 37! As the lower division team it was our goal to test, develop and encourage each player to challenge every player in the higher division team and make them work harder to retain their spot. We did it, we did it all year and if not for league rules many of our team would have had a chance at the higher division. Work hard over summer, come back fitter, stronger and hungrier! Earn your spot. You deserve it.

As for our season... it was interesting! Week in, week out. We didn't know what to expect. Would we have a full team? Going into games low on numbers is daunting but I'll let you all know a secret... as coaches we were not worried. We knew this team. We knew your passion, skills and endurance. Disappointingly we missed top four in our Division, dropping games as we ran out of legs late in the last quarter with no bench and less than 18 players on the field.

But wait... we were given a lifeline when the League announced a Reserve Finals series that we qualified for. Our season continues! We were in the top two! Later in the week... much later in the week, we had another setback with an 'ineligible player' ruling by the league costing us a spot in the top eight with one game to be played. We got angry! We were frustrated. But in true testament to our team, we set it all behind us and said "stuff it" we still have a chance! We had to win and hope that results fell in our favour. We Won. Results fell in our favour! Still alive.

Elimination Final. AJAX (21 players) 2.6.18 - WPH (16 players) 3.8.26
Outnumbered, our Team shut down the opposition scoring for the first half but then surrendered a slender lead at ¾ time. It was a very tight game however these young men, aided by Assistant Coach Peter Ryan's brilliant tactical move late in the 3rd quarter produced a very satisfying win and kept the season alive.

Preliminary Final. Prahran 1.1.7 – WPH 8.15.63
Captain, Flynn Ryan, won the toss and elected to kick with the strong, blustery wind. With almost a full interchange bench, a rarity this season, we took an early lead into the first break. Working together and with some stand out games across the team we held Prahran goal less until the last quarter when they snuck in a late one when the game was all but over. No passengers, a great team effort.

Grand Final. East Brighton 3.1.19 – WPH 8.5.53. Congratulations Team! Job done. Go Hawks!

None of this is possible without the tireless work of our regular team volunteers: Julie Martin, Justin Savage, Adrian Choi, Troy Hall, Rob Blangiardo and Peter Milonakos. Special mention to Glen Cochrane whose dedication to the U14 age group and overall leadership was outstanding! Thank you to our weekly parent helpers and our loyal sponsor of many years - Mount Waverley Dental.

Finally, I'd like to thank the two special people who stepped in as Assistant Coach and added some desperately needed direction for the Coach on game day and at training. Karina (Go Riley!) Cochrane and Peter Ryan. Thank you!

UNDER 14 COCHRANE COACH'S REPORT**

On 29 January, 29 U14 Boys arrived for Day 1. 223 days later, two elite and resilient teams would play in two Grand Finals, 1W 1L, but all 44 U14 Boys are winners to us. We faced grading for the first time and, after 3 months of training and practice games, a top 18 took shape to form upper and lower division teams. Thirty-five players would go on to represent Team Cochrane (TC) which highlights the depth and development in our Village. Attitude, effort and respect became our mantra as leaders Angus Lord (C), Will Dresser (VC) and Lachie Cotter (VC) set standards, and Riley Cochrane planned drills and led by example to create an elite environment of non-negotiables: voice, effort, intensity – this core enabled coaches to focus on craft and game-sense drills.

TC started the season against Murrumbeena and a fierce rivalry was born. We would play the Lions five times – LDLWL – each time building layers to our game and forming a plan: run and carry game to break the lines and make them accountable to stop us. Early rounds, we shuffled magnets to learn more about ourselves and test individuals. Three close losses sent us to Div 3, but the big loss was star utility Emre Soydan to injury. We had some tough internal conversations, but strong bonds were forming in the group.

R5 W over Ormond – we started to play as a team, and we started to believe. Capo led the way sacrificing his wing to setup our 4-3-2 zone. It started a trend.

R6 W over St Paul's Doggies as the General elevated his game as BOG and the Lieutenant kicked six in a masterclass of tick leads.

R7 East Brighton tested us, but Nathan Hayes went 'Beast mode', near matched by Tyler Battaglia and Tyce Corcoran who refused to give up a disposal. Our training – a fitness regime (shuttles, yo-yos, time trials), line concepts (J-defence, D50 exit), short 45s, overhead marking, layers, and testing the tackler – was starting to pay off.

R8 Murrumbeena again (D) and the back six was building – Caleb Sims and Mitch Adams started to shrink the ground and intercept the air, while Brodie Sutton, Marcus Pirota and Marco Colalillo used leg-rope mentality to create F50 entries.

R9 Owen Tango-Shackson returned with raw power teaming up with Ryan White in attack and our wing rotations – Cameron De Couto, Christian Di Somma, Owen Pereira and Bentley Rohan – out-ran Beaumaris, while Aidan Liew could lock the back six.

R10, a Mordi-Brae grudge match – Will Dresser was on fire as Riley Mastromanno proved to be the Div 3 tap ruck working with Xavier Kelly, an inside-mid who led our goal kicking!

Injuries mounted. TC fielded 17 in later rounds (some on limited mins), desperate to avoid making players ineligible for Team Bloomfield ahead of their finals campaign – we trained 'icing games' and 'lock down' strategies. Then the speedy Zak Turner returned in a new back role, and finally Logan Irvine was elevated as the swingman for finals.

Qualifying Final – Beena. Everyone was nervous but we had a plan, and it worked! We tested the tackler, broke lines, owned 'their' corridor, and shutdown no.9 in the best performance of the year. **7.5.47 v 2.2.14.**

One more step, the Grand Final – Beena again. Sadly, it was not our day, and we fell short. **2.1.13 v 5.4.34.** We could not be prouder of the U14 Boys, all 44 of them – now we rest, reset, and go again to take **one more step...**

**MULGRAVE PIZZA HOUSE
UNDER 15 CASELLA COACH'S REPORT**

As we look back on the 2024 season, it is clear that our Under 15 Casella team faced some challenges during the grading games in division 2. We were given a lesson in each game played, but I am proud of how we were able to move forward and eventually be placed into Division 3 for the season proper.

Although the start to our year was slow, I am pleased to say that the team progressed well. Their dedication and hard work helped us improve and ultimately achieve success in Division 3. I am grateful for their commitment to our team and for pushing us to be the best that we could be.

The boys gave 100% throughout the season especially post the mid season break. There was an evident shift in the boys attitudes to the team, with more and more players coming to training each session and more evidence of moving the ball much better through linking up all over the ground. There were many highlights during the season, with lots of our team celebrating incredible milestones, whether it was 50 or 100 games. There were also some incredible highlights ON the field as well, such as incredible marks, fabulous runs down the wing, and who could forget the goal after the siren against Beaumaris to give us the win and cement our place in the top 4.

We finished the season in third place which meant we were finals bound. The boys were dedicated in their training and mindset on the day that we played St Kilda City/Port Melbourne in the Elimination Final. The day was off to a slow start with a nasty virus ripping through the team, meaning that a few of our players weren't able to play and a couple hadn't recovered completely yet still took the field. On top of the illness, the wind! Oh my goodness, the wind.

We were also faced with an injury to one of our players early in the game which meant we didn't have a bench, and in the last quarter another player went down with injury leaving 17 on the field and our opposition had a full bench with very fresh legs.

The boys fought their hearts out, but unfortunately, it wasn't meant to be in 2024 and St Kilda were victorious by 10 points.

I'd like to thank Brendan, our assistant coach, for working with me this year. We work really well together and I think we have taught the boys a lot this season. To Demos and Roland as well for being part of the coaching team, you helped to make this year a success.

Special thanks to Kate, our Team Manager, what outstanding work you've done all year. Thanks to Jo and Trish who helped to support Kate on a few occasions.

We had a great group of families this year who were always willing to help out on game day. Our resident paparazzi Richard took some truly incredible photos, Mark and Gary wore the white goal umpire jacket beautifully week after week and we had an amazing group of security guards (umpire escorts), time-keepers, canteen attendants and even though we never actually needed them-we had parents willing to be boundary umpires week after week. It takes a village to run a football team, so thanks Village.

Special thanks to Michelle and in fact the whole committee who have helped an awful lot behind the scenes this year, thanks for everything from our whole team.

Make sure you all get along to our sponsors, Mulgrave Pizza House during the off season, because they've been great too.

I look forward to getting it done with this group in 2025. Let's Go Hawks!

**CORSEC SERVICES
UNDER 16 GIRLS COGDON COACH'S REPORT**

With 12 wins from 15 home and away games, the U16 girls had a fantastic 2024 season.

The team welcomed five new faces – Izzy Metaxas, Tayla Meyers, Grace Russo, Emma Cooke and Zoey Ryan – who quickly slotted into the lineup alongside eight players who moved up from U14s and seven players going around for a second year in U16s.

We opened our account with a 50-point win again Beaumaris, with Izzy and vice-captain Zoe Wright slotting three goals each.

Dropping just one game by a solitary point in the grading phase, we were lucky to remain in Division 2 and soon established ourselves as the team to beat on top of the ladder.

Zoe and Tayla made a formidable combination in the ruck, with mids Jade Gundry, Lucy Andracke-Bosdriez and captain Eliza Klein dominating clearances and setting the Hawks on a winning path.

Bella-Cruize Appelman and Georgia Simpson were strong targets across the half-forward line, Bella finishing with 12 goals and Georgia with 10 for the season.

Izzy, who swung between the forward line and midfield, not only topped the Hawks' goal kicking with 21 majors but was also the leading goal kicker for all of Division 2, while dashing winger Julia Hipwell hit the scoreboard with an impressive 14 goals.

Layla Christian and Jamie Eva provided plenty of run out of back line and set up many opportunities further up the field, while Claudia Blangiardo and Paige Bretherton were steadfast on the last line of defence.

Teamwork and impacting the play were key focuses all season, and it was fantastic to see the players develop their game sense and connection. Olivia Smart was exceptional on the other wing, providing the link in many of our attacking passages of play and cutting off opposition attempts, while Heather Cassidy impressed with her ability to make the right decisions under pressure.

Newbies Emma and Grace spent time in various positions, growing in confidence with every game. Zoey settled into the forward line but showed her versatility when she was moved down back and had a real impact.

While there were lots of highs in season 2024, the Hawks also endured a few lows including the loss of one of our vice captains, Scarlett Moresi, to an ACL injury in Round 8. Despite her injury, Scarlett was at every subsequent game and training session to cheer on her teammates.

After finishing the home and away season three games clear on top of the ladder, the Hawks earned the double chance heading into finals.

However, we fell short by just eight points in a tight qualifying final against Murrumbeena and then went down by a heartbreaking four points in the prelim against Prahran the following week.

While it was not the end to the season we hoped for, the players gave it absolutely everything and their coaches could not have been prouder.

UNDER 16 CHAPPLE COACH'S REPORT**

BACK ROW: Gabriel Nayef, Dean Tartzoukas, Alden Natoli, Mickey Gao, William Hammond, Elias Djokic, Sam Campbell
MIDDLE ROW: Ryan Chapple (Coach), Andrew Tonkin (Asst. Coach), Hayden Cashman, Harrison Cochrane, Charlie Rice, Ahmad Tawik, Charlie Bloomfield, Jackson Himmelfarb, Oliver White, Christian Meddis, Roban Desouza, Allison Mastromanno (Team Manager)
FRONT ROW: Lucas Aclie, Ashton DeLauranty, Isaac Bunnay, Levi Tonkin, William Trumble, Kaden Mastromanno, Cameron Chapple, Cooper Wood, Mark Saastam, Ben Austin, Oliver Wylie

The 2024 season started off with a heavy workload for the boys where they had a tough preseason. The boys developed a great bond with each other through their hard work both on a fitness level and also with their skills. The preseason practice matches saw the team start to develop into the new style of game play with two fantastic wins over promising opponents. Some boys took their opportunity in new roles for the team and didn't look back for the rest of the season.

Coming into the home and away season with some great momentum, we showed how the team had really improved with their skills and playing style. Looking to use each other more and change lanes on the ground saw signs of a harder edge to the group. Throughout the season we started to receive a number of injuries to a large score of boys. This didn't hamper the boys resolve as they pushed through with great determination, even if they happened to fall short in some games.

By the last few rounds of the home and away season, the team had started to really gel into the group that would takes us into the finals. The game style had become a real imprint and the hardness of every player showed through. Winning our last two games to cement our position in the four was a true testament to the group. Having finished 4th going into the finals the boys were up and about looking to make an impact on the competition. This finals series showed just how far the team had come from the start of the season.

In the first final against Caulfield with their backs to the wall and down late in the last quarter. They were able to rally on draw the game and send it into extra time. This is were their fitness and determination came to the forefront, over running the opposition to win the game.

Amazingly enough the preliminary final against Ormond had a very similar feel going into the last quarter. Four points up, but fighting into a five goal wind and being kept goal less in the third seemed to be an impossible battle. To their credit the team showed great resolve and kept Ormond goal less while kicking two goals to book a grand final birth.

The grand final was a fantastic game. The playing group showed what determination and toughness they had to push a very talented opposition in Ashwood to the last siren. Unfortunately we were not able to get over the line with a win, but the boys never stopped trying and with that they can hold their heads up high. It hurts to lose a grand final, but to make it from 4th, with all the odds against them they were brilliant.

I would like to thank Andrew Tonkin my assistant coach for all his hard work, Allison Mastromanno as our Team Manager, undertaking the truly hard job to get everyone on the same page week after week. Andre Wylie for being our runner, Michael DeSouza, the team's trainer for all of his diligence in his care for the boys.

Thank you to all parents for your support and running around after the boys all season. Thank you to Michelle McCluskey and the Committee for their support.

It has been a great honour to coach this group of fantastic young men this year and I really hope that they are able to take what they have learnt from this season moving forward and use it in the future, both on and off the field.

Thank you, Ryan Chapple.

MAZENOD OCFC UNDER 18 GIRLS VICIC COACH'S REPORT

What an exciting season we had. Girls footy rocks!

Our season started back in Feb with a weekly girls pre season session. At that stage we only had 11-12 girls committed and on the lookout for more to ensure we get a 18s girl team together at the Hawks in 2024. As the season drew closer, we presumed there was no further interest. I along with others started to contemplate the fact that this team wouldn't come to fruition. It wasn't until 2 weeks prior to the season commencing that a group of 4 girls; Madi, Chloe Aneekah and Grace, all of whom were training with the under 16s squad, decided they would love to play with the 18s girls. It was then that our season was up and running. From there, we appointed our leadership group in. Shelby, Ash and Gemma. Our Under 18 girls Waverley Park Hawks team was all system go!

Our team consisted of some players who had played for many years and some players who hadn't played at all, so Division three seemed the likely place for us to start. With only 16 on the list to start the season, we knew it was going to be tough if we encountered illness and injury. We persisted with a recruitment run in the hope more girls would come.

Our first few rounds consisted of some big defeats as well as a couple of good wins. We also had two forfeits in the first 6 rounds due to low numbers and unavailability. Some game clashes meant we couldn't get help from the 16 girls.

Round 4 was a highlight early in the season as we celebrated Shelby 100th game with a win against Oakleigh at Columbia. This was our first win and the first time both Chris and myself realised the huge amount of talent and potential this squad had. The likes of Alicia who dominates in the air and Tabs who wins her spot regardless of where that is on the field. Summer who started to show her footy smarts and use the ball really well. Daisy killing it in the ruck and working really well with both Gemma and Liv...add to that Madi and Aneekah who got better each week.

With the need to still recruit new players high on the radar, our vice captain (Ash), was hard at work. Firstly she played a hands in Getting Liv back. A gun mid fielder who smarts on field, became hugely important to us as the season progressed.

It was just prior to Round 8, that we received a massive boost in our numbers and had Cara, Sari, Gabbi, Eryn and Charlotte join our team. Again, some whom have played a little before and some new to the game. These girls along with new recruits; Inhu and Kavi, had our squad numbers rise to 22. It was now that our team started to become a massive threat, regardless of the opposition.

From there we went on to win 2 on the trot against Beaumaris away (a team that beat us comprehensively in round 2). Followed up with a win against St Kilda City. Add a draw in Round 12 against Oakleigh and the belief was real. Our new players quickly became superstars of the team and all of them found their feet in the game really quickly. Along with the likes of Shantel, who could play anywhere and do well. And Holly, who is always reliable in any given role. Shelby and Ash led the team strongly. With a huge improvement from the likes of Rhiannon, Karley and Bella, the Hawks became a formidable opponent.

With belief still rising and the skill, game play and the understanding of the game clearly improved weekly. We went on to win again in Round 14 away against the Hampton Rovers. A team we needed to beat to ensure we could play a part in finals action. A fantastic win and by far the loudest I've heard the girls belt out the song after the game.

Round 15 was against East Malvern and Daisy's 100th game. Although we were all up and about for the massive effort, it was a tough game against a very strong outfit. Perfect before the finals and now finals became a definite..

Our first elimination finals was against Oakleigh. A 9 o'clock game, something that had me a little worried. To the girls' credit, they turned up and played an almighty first quarter before the game was abandoned. We had a couple of incidents. Firstly Liv came off with an ankle injury and hopped off to the emergency room. One which proved to be quite serious and in fact a broken Tibia. Liv is as tough as any competitor I've seen over my time in football and a major loss to our midfield.

While Liv was heading off to get X-rays, Bella decided to make the smother of the year. Unfortunately this done with her face. This in fact knocked her out cold and brought the game to a halt. Massive shout out to our on field help, in Chris (runner) and Nicole our Trainer who gave Bella great care until the ambulance arrived. As a result we had to replay this final. It took place the following Tuesday night under lights at Centenary Park. With the wind blowing a gale favouring one end, it was always going to be a tough night. Our team on the night was admiring and played a game which made myself and all those who came along to watch extremely proud. To see how far the girls have come along in their football journey as well as bond as a team, I couldn't be happier!

Although we didn't come away with the win on the scoreboard, we walked away a team of winners. As I said at the start, 'Girls Footy Rock' and I feel privileged to have been the coach of this team. Your 'never say die' attitude is inspiring and the ability to love what you do out on the field, then come off the ground with Smiles, puts it all into perspective.

A big thanks to Chris, who was my assistant and runner gave me a huge amount of help throughout the year. To our Team manager Nikki and De'Arne whom both played huge roles in getting the team up week in, week out. Thanks to Nicole who was our trainer and did a fantastic job, having Sally help on a couple of occasions. To all the parents for volunteering their time to fulfil game day roles. Thank you, especially for letting me coach your daughters. I had a ball and look forward to seeing where these young ladies go in the future.

Special mention to all those from the 16s and 13s who helped with numbers along the way.

Bucket Challenge results:

Shelby 5, Daisy 1, Summer 1, Charlotte 1, Cara 1, Rhiannon 1 (double up round), Gemma who took out Chocolate week

ROKK EBONY UNDER 18 HEATH COACH'S REPORT

The pre-season came around quick last year, and big thanks to Moz, Hayley and Jack for kicking us off in fine form for the season ahead. It seemed for much of the early stages we would have a solid number of boys for one side however, we swelled to an awkward mid-30s number of players as the pre-season ramped up.

By the time the practise matches rolled around we had about 42 – clearly too many for one side but bare bones for two. We facilitated the two sides and injury, holidays, illness and suspension (sorry Trev) would create a season where we'd need to juggle boys between the 2 sides, as well as beg, borrow and steal from our U16 & U15 cohorts to enable numbers to field a team. Thanks so much to all the lads that filled in admirably for us this year, it enabled us to play all but one game this season.

With some changes introduced by League HQ, this was the first season we have managed a more agile list management strategy whereby many of the boys were able to play between our two U18 sides. This enabled reward for the boys that had been playing & training well in Div 3 to play up and for some of the boys coming back from illness/injury to warm back in via Div 3. It created complexity, and there will be learnings for seasons ahead, but ultimately it created semblance of senior sport where there is fluidity between seniors and reserves.

When I took on the coaching role Moz told me this was the quietest group of young blokes he had ever stumbled across, and I can attest to that, what an absolute challenge it was weekly to get a rise out of these fellas, but we weren't void of leaders. The nature of having a squad that could be playing in-between 2 sides meant we were unable to appoint a dedicated captain, however fantastic leadership was on display whilst in our team by IQ, Zeyd & Rusty. Thanks for all the great leadership qualities you brought & displayed to our team throughout the year lads.

We started the grading component of the season in Division 2 and although competitive in round 1, were handed some hidings in subsequent rounds. We settled into Division 3 and were by far a much more competitive unit. Results didn't go our way too often, but what a highlight it was to be able to scream our song in Rd 10 – fantastic nourishment for all the hard work these guys had put in. As a coach & mere spectator of this group, I could not have been prouder with the attitude to which our boys applied themselves to the season.

Chris would throw structure challenges to them within games, and they would go out and execute. We had occasion where we were 14v18 on the ground, and these were some of the times we witnessed the true grit and determination of this squad to keep punching and never throw the towel. Tough times create strong men, and we were all so very proud of the demeanour our men took on the challenges of season 24.

Made some wonderful friends with these lads and their amazing families this year, and so many thanks to be offered to all that willingly took on game day roles to ensure our kids could have the best crack at football on a Sunday possible.

Massive thanks to Chris for taking on the Assistant coach role this year, to Mon & Harris for managing the TM role, to Scotty for being Trainer, Gaz for running and Ramy – the best flag man in the caper.

To the gents graduating to senior football, we sincerely wish you well. You have represented our club superbly and we cannot wait to see where your footy journey continues. We hope your time at our club has been filled with wonderful lifelong memories & remember, you will always be a Hawk.

**MAZENOD OCFC
UNDER 18 TORCASIO COACH'S REPORT**

As we reflect on the 2024 season, I would like to begin by expressing my heartfelt gratitude to the club for entrusting me once again with the privilege of coaching such a talented group of young athletes. It has been a remarkable journey, and I am truly honoured to have had the opportunity to guide this U17.5 team. I would also like to extend a big thank you to the support team and parents for their ongoing commitment throughout the season.

The introduction of new rules this year brought unique challenges to the selection process, making it more difficult to structure our two U17.5 teams. Nevertheless, we were able to pull together two competitive squads. A significant portion of the team was new, and while it took some time to gel, once the boys found their rhythm, their competitiveness and style of play began to shine. Their determination was evident from day one, particularly in the pre-season where they built a solid fitness base. This preparation was a key factor in keeping us competitive throughout the year.

Given that we are a smaller team, lacking in key position players, our strategy focused on fast ball movement and running. Our game plan was to use the ball effectively, taking advantage of our agility. Several times throughout the season, our running game was on full display, and it proved to be one of our strongest assets.

Between rounds 8 and 12, we hit a patch where the team played some of their best football of the season, winning three out of five games. We also had an unlucky loss by just 4 points against SBMT in a tightly contested game where we kicked 3 points to 1 in the final quarter. Despite these strong performances, we were struggling to field a full team during this stretch. Even so, the boys dug deep and showed incredible fight, which is a testament to their resilience and determination.

However, it wasn't always easy. We often found ourselves short on numbers, making it difficult to compete consistently across four quarters. Despite these obstacles, the boys never complained. They took pride in their efforts, gave everything on the field, and I could not be prouder of their resilience and determination to keep going. This unwavering commitment is what defined our season.

A notable achievement for us this year was being the first U17.5 team from WPH to compete in Division 1 in a decade. This was a significant step up, and the boys showed they were more than capable of handling the challenge. Competing at this level has set a new standard for the team and club, and the boys can take great pride in pushing themselves and striving for excellence.

As we look ahead, it's important that we stick together as a group. With the first year of the new rules behind us, I'm confident that next season will be even bigger and better. We've built a strong foundation, and I believe that by continuing to work hard and supporting each other, we can achieve even greater success.

A special thanks must go to Jackson, my assistant coach, for his invaluable help throughout the season; Ayden, our runner, for always keeping the boys energised and organised; and Hayley, our tireless trainer, for ensuring the players stayed fit and healthy all year. Your support has been incredible, and I truly appreciate everything you've done.

Thank you to everyone involved this year, both on and off the field. It's been a fantastic season, and I look forward to what the future holds for this talented team.

Go Hawks!

2016	Simon Fisher
2017	Tony Ferracane
2018	Anthony Froelich
2019	Dale Pensa & Michelle McCluskey
2020	No Season due to COVID
2021	Alex Vicic & Marek Taborsky
2022	Adam White
2023	Paul Rice & Ryan Hammond
2024	Belinda Hayes & Mick Mastromanno

THE MATTHEW FOALE COACH’S AWARD

The Matthew Foale Coaches Award is presented to the WPH Coach of the year. This award is given to a Coach who has provided outstanding service and contribution to our club performing the role of a Coach/Assistant Coach over a particular season/s. In its inaugural year in 2023, we are proud to not only present this Coach’s Award to its first recipient, Matthew Foale, but confirm it will bear his name for years to come and be awarded to our Coach of the Year at the annual presentation day/season finale.

2023	Matthew Foale (U17.5 Foale)
2024	Glen Cochrane (U14 Cochrane)

CONGRATULATIONS TO OUR 2024 PREMIERS THE U14 BLOOMFIELD TEAM

Theme Song

**Yankee Doodle Dandee
We're a happy team at Waverley**

We're the Mighty Fighting Hawks

We love our Club, and we play to win

**Riding the bumps with a grin
.....at Waverley**

Come what may, you'll find us striving

Team work is the thing that talks

One for all and all for one

Is the way we play at Waverley

We are the Mighty Fighting Hawks!
